

Who Should Attend This Workshop?

Senior Managers, Board Members, Directors and others who need to understand the responsibilities of your organization and ensure implementation of deliverables for the Integrated Accessibility Standards (IAS).

How Long?

This is a one (1) hour training program.

Overview

Public Sector, businesses and non-profit organizations must develop, implement and maintain policies governing how the organization achieves accessibility through the specific standards:

1. Information and Communication Standard
2. Employment Standard
3. Transportation Standard
4. Design of Public Spaces

Further they must provide training on the requirements of the accessibility standards and on the Human Rights Code. There are a number of deliverables under each of these standards which will be covered in this session.

This workshop is recommended for senior managers, board members and others that need to understand their responsibilities with regard to the AODA and the Integrated Accessibility Standards.
