Who Should Attend This One Day Workshop?

This workshop is recommended for HR (Human Resources) staff or those directly involved with providing staff training on the Integrated Accessibility Standards Regulation (IASR). You will receive all materials needed to deliver the workshop.

Overview

We will begin the Train the Trainer session by helping you to understand the requirements of the Integrated Accessibility Standards Regulation (IASR). Looking closely at each of the following; Employment, Information & Communication, Transportation Standard, Public Spaces and the Human Rights Code as it pertains to people with disabilities, so that you can effectively provide training to your own staff.

We will also demonstrate a complete run through of the 90 minute training session that you will be delivering to your own staff. **You will be given:** a copy of the 90 minute power point presentation, legislative background materials, handouts, sample workbook pages, sample case studies, record keeping forms and tips; everything you need to train your own staff.
